## INTRODUCTION

---

Satya Wacana Christian University (SWCU) was founded in 1956 and is one of Indonesia's oldest private universities. SWCU is also known as Indonesia in miniature since most students come from almost all parts of Indonesia with many different cultural and ethnic backgrounds. Currently, 16,000 students are enrolled in sixty-three (63) study programs in 14 faculties at SWCU.

Satya Wacana International Scholarship (SWIS) is a financial assistance offered by the SWCU to prospective international students coming from their prominent countries to pursue their degree (Bachelor or Master) at SWCU.

## GOALS

---

SWCU offers full scholarships for students to study at SWCU for bachelor's and master's degree programs. This scholarship aims to produce creative minority graduates shaped with compassion, respect, and mindfulness of local and global issues. SWIS also seeks to create a pathway for international students to pursue their dreams, contributes to enhancing civilization and technology, and provides an opportunity to experience living in Indonesia, one of the world's most diverse and vibrant societies.
