

Subject: Invitation to MedReCon 2025 – Leading Conference on Medical Research

Dear students of Evropski univerzitet Kallos,

It is our pleasure to invite you to **MedReCon 2025**, an innovative conference on medical research, which will take place from **May 15th to May 17th, 2025**, at **Sarajevo School of Science and Technology**. This event brings together students and professionals from **medicine, dentistry, pharmacy, and IT**, providing a unique opportunity for knowledge exchange, research presentation, and professional development.

Under the theme “**The Future of Medicine**”, this three-day conference will feature cutting-edge research, expert lectures, and interactive workshops.

What to Expect at MedReCon 2025?

- **Scientific Paper and Poster Presentations:** showcasing the latest achievements of students and professionals.
- **MED Talks:** inspiring lectures from top experts in the fields of medicine and IT.
- **Workshops:** hands-on sessions to develop new skills.
- **Panel Discussions:** conversations on current topics in medicine and technology.
- **Interactive entertainment:** quizzes with prizes.
- **Networking opportunities:** connecting with peers, professors, and professionals.
- **Closing celebration:** socializing and celebrating a successful event.

Participation in **MedReCon 2025** gives you the chance to expand your knowledge, enhance your academic and professional network, and gain valuable experience.

All **MedReCon 2025** sessions will be held in **English!** This includes lectures, panel discussions, workshops, and research presentations. **All submitted papers and presentations must be prepared and delivered in English.**

Who Can Participate?

MedReCon 2025 welcomes both **active and passive participants:**

- **Active participants** have the opportunity to present their research through:
 - **Oral presentation** or
 - **Poster presentation**

To participate as an active presenter, you must submit an abstract within the designated deadline!

- **Passive participants** can attend all lectures, workshops, and interactive sessions while gaining insight into the latest research in **medicine, pharmacy, dentistry, and IT.**

Important Dates

REGISTRATION: March 10, 2025 – May 8, 2025

ABSTRACT SUBMISSION: March 21, 2025 – April 20, 2025

Register via the following link: <https://ssstmedrecon.com>

Sustainability as a Priority!

MedReCon 2025 is committed to **environmentally responsible practices** and will use **digital programs and sustainable materials** to reduce its ecological footprint.

We invite students and professors from the Evropski univerzitet Kallos to be part of this inspiring event and contribute to shaping the **future of medicine**. **MedReCon 2025 guarantees you an unforgettable experience!**

For more information about registration and the conference program, follow us on social media or contact us at Medrecon.info@ssst.edu.ba.

We look forward to your participation!

Best regards,

Dalila Čamdžić
